The Shareholder process in respect of the appointment/reappointment of Directors is expected to be completed by end February. As of 01 January 2019 and until this process is completed, the Board will therefore consist of eleven (11) members. The Board remains properly constituted in terms of the DBSA Act (13 of 1997, as amended) and can continue to perform and exercise its fiduciary obligations effectively.

In order to ensure continuity and sound governance the Board has elected Mr. Mark Swilling as Chairman. The Board has also reconstituted its sub-committees to ensure that there is effective distribution of members to the different Committees according to their respective skills sets. During this interim period, the Board of the DBSA therefore remains both in form and in substance, structured and positioned to continue to execute its responsibilities with the expected level and duty of care.
