14. IMPROPER ASSISTANCE, FRAUD AND CORRUPTION

14.1 Bidders may not seek or obtain the assistance of employees of the DBSA in the preparation of their tender responses.
14.2 The DBSA may in its absolute discretion, immediately disqualify a Bidder that it believes has sought or obtained such improper assistance.

15.3 In addition to any other remedies available to it under law or contract, the DBSA may, in its absolute discretion, immediately disqualify a Bidder that it believes has engaged in any collusive, anti-competitive conduct or any other similar conduct during or before the Tendering Process.

16. **COMPLAINTS ABOUT THE TENDERING PROCESS**

16.3 If the matter relates to the conduct of an employee of the DBSA, the complaint should be addressed in writing marked for the attention of the Chief Executive Officer of the DBSA, and delivered to the physical address of the DBSA, as notified.
17. **CONFLICT OF INTEREST**

17.1 A Bidder must not, and must ensure that its officers, employees, agents and advisors do not place themselves in a position that may give rise to actual, potential or perceived conflict of interest between the interests of the DBSA and the Bidder’s interests during the Tender Process.

17.2 The Bidder is required to provide details of any interests, relationships or clients which may or do give rise to a conflict of interest in relation to the supply of the services under any contract that may result from this RFP. If the Bidder submits its Bid and a subsequent conflict of interest arises, or is likely to arise, which was not disclosed in the Bid, the Bidder must notify the DBSA immediately in writing of that conflict.

17.3 The DBSA may immediately disqualify a Bidder from the Tendering Process if the Bidder fails to notify the DBSA of the conflict as required.

18. **LATE BIDS**

18.1 Bids must be delivered by the Closing Time. The Closing Time may be extended by the DBSA in its absolute discretion by providing written notice to Bidders.

18.2 Bids delivered after the Closing Time or lodged at a location or in a manner that is contrary to that specified in this RFP will be disqualified from the Tendering Process and will be ineligible for consideration. However, a late Bid may be accepted where the Bidder can clearly demonstrate (to the satisfaction of the DBSA, in its sole discretion) that late lodgement of the Bid was caused by the DBSA; that access was denied or hindered in relation to the physical tender box; or that a major/critical incident hindered the delivery of the Bid and, in all cases, that the integrity of the Tendering Process will not be compromised by accepting a Bid after the Closing Time.

18.3 The determination of the DBSA as to the actual time that a Bid is lodged is final. Subject to clause 18.2, all Bids lodged after the Closing Time will be recorded by the DBSA and will only be opened for the purposes of identifying a business name and address of the Bidder. The DBSA will inform a Bidder whose Bid was lodged after the Closing Time of its ineligibility for consideration. The general operating practice is for the late Bid to be returned within 5 (five) working days of receipt or within 5 (five) working days after determination not to accept a late Bid.
19. **BIDDER’S RESPONSIBILITIES**

19.1 Bidders are responsible for:

19.1.1 examining this RFP and any documents referenced or attached to this RFP and any other information made or to be made available by the DBSA to Bidders in connection with this RFP;

19.1.2 fully informing themselves in relation to all matters arising from this RFP, including all matters regarding the DBSA’s requirements for the provision of the Services;

19.1.3 ensuring that their Bids are accurate and complete;

19.1.4 making their own enquiries and assessing all risks regarding this RFP, and fully considering and incorporating the impact of any known and unknown risks into their Bid;

19.1.5 ensuring that they comply with all applicable laws in regards to the Tendering Process particularly as specified by National Treasury Regulations, Guidelines, Instruction Notes and Practice Notes and other relevant legislation as published from time to time in the Government Gazette; and

19.1.6 submitting all Compulsory Documents.

19.2 Bidders with annual total revenue of R10 million or less qualify as Exempted Micro Enterprises (EMEs) in terms of the B-BBEE Act must submit a certificate issued by a registered, independent auditor (who or which is not the Bidder or a part of the Bidder) or an accredited verification agency.

19.3 Bidders other than EMEs must submit their original and valid B-BBEE status level verification certificate or a certified copy, or a sworn affidavit thereof, substantiating their B-BBEE status. The submission of such certificates must comply with the requirements of instructions and guidelines issued by National Treasury and be in accordance with the applicable notices published by the Department of Trade and Industry in the Government Gazette.

19.4 The DBSA reserves the right to require of a Bidder, either before a Bid is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the DBSA.

19.5 Failure to provide the required information may result in disqualification of the Bidder.
20. **PREPARATION OF BIDS**

20.1 Bidders must ensure that:

20.1.1 their Bid is submitted in the required format as stipulated in this RFP; and

20.1.2 all the required information fields in the Bid are completed in full and contain the information requested by the DBSA.

20.2 The DBSA may in its absolute discretion reject a Bid that does not include the information requested or is not in the format required.

20.3 Unnecessarily elaborate responses or other representations beyond that which is sufficient to present a complete and effective tender proposal are not desired or required. Elaborate and expensive visual and other presentation aids are not necessary.

20.4 Where the Bidder is unwilling to accept a specified condition, the non-acceptance must be clearly and expressly stated. Prominence must be given to the statement detailing the non-acceptance. It is not sufficient that the statement appears only as part of an attachment to the Bid, or be included in a general statement of the Bidders usual operating conditions.

20.5 An incomplete Bid may be disqualified or assessed solely on the information completed or received with the Bid.

21. **ILLEGIBLE CONTENT, ALTERATION AND ERASURE**

21.1 Incomplete Bids may be disqualified or evaluated solely on information contained in the Bid.

21.2 The DBSA may disregard any content in a Tender that is illegible and will be under no obligation whatsoever to seek clarification from the Bidder.

21.3 The DBSA may permit a Bidder to correct an unintentional error in its Bid where that error becomes known or apparent after the Closing Time, but in no event will any correction be permitted if the DBSA reasonably considers that the correction would materially alter the substance of the Bid or effect the fairness of the Tendering Process.

22. **OBLIGATION TO NOTIFY ERRORS**

If, after a Bidder’s Response has been submitted, the Bidder becomes aware of an error in the Bidders Response (including an error in pricing, but excluding clerical errors which would have no bearing on the evaluation of the Bid), the Bidder must promptly notify the DBSA of such error.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.

2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.

3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
   a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
   b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
