17.2 The Bidder is required to provide details of any interests, relationships or clients which may or do give rise to a conflict of interest in relation to the supply of the services under any contract that may result from this RFP. If the Bidder submits its Bid and a subsequent conflict of interest arises, or is likely to arise, which was not disclosed in the Bid, the Bidder must notify the DBSA immediately in writing of that conflict.

18. **LATE BIDS**

18.1 Bids must be delivered by the Closing Time. The Closing Time may be extended by the DBSA in its absolute discretion by providing written notice to Bidders.

18.2 Bids delivered after the Closing Time or lodged at a location or in a manner that is contrary to that specified in this RFP will be disqualified from the Tendering Process and will be ineligible for consideration. However, a late Bid may be accepted where the Bidder can clearly demonstrate (to the satisfaction of the DBSA, in its sole discretion) that late lodgement of the Bid was caused by the DBSA; that access was denied or hindered in relation to the physical tender box; or that a major/critical incident hindered the delivery of the Bid and, in all cases, that the integrity of the Tendering Process will not be compromised by accepting a Bid after the Closing Time.

18.3 The determination of the DBSA as to the actual time that a Bid is lodged is final. Subject to clause 18.2, all Bids lodged after the Closing Time will be recorded by the DBSA and will only be opened for the purposes of identifying a business name and address of the Bidder. The DBSA will inform a Bidder whose Bid was lodged after the Closing Time of its ineligibility for consideration. The general operating practice is for the late Bid to be returned within 5 (five) working days of receipt or within 5 (five) working days after determination not to accept a late Bid.

19. **BIDDER’S RESPONSIBILITIES**

19.3 Bidders other than EMEs must submit their original and valid B-BBEE status level verification certificate or a certified copy, or a sworn affidavit thereof, substantiating their B-BBEE status. The submission of such certificates must comply with the requirements of instructions and guidelines issued by National Treasury and be in accordance with the applicable notices published by the Department of Trade and Industry in the Government Gazette.

19.4 The DBSA reserves the right to require of a Bidder, either before a Bid is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the DBSA.

20.4  Where the Bidder is unwilling to accept a specified condition, the non-acceptance must be clearly and expressly stated. Prominence must be given to the statement detailing the non-acceptance. It is not sufficient that the statement appears only as part of an attachment to the Bid, or be included in a general statement of the Bidders usual operating conditions.
20.5  An incomplete Bid may be disqualified or assessed solely on the information completed or received with the Bid.

21.  ILLEGIBLE CONTENT, ALTERATION AND ERASURE
21.1  Incomplete Bids may be disqualified or evaluated solely on information contained in the Bid.
21.2  The DBSA may disregard any content in a Tender that is illegible and will be under no obligation whatsoever to seek clarification from the Bidder.
21.3  The DBSA may permit a Bidder to correct an unintentional error in its Bid where that error becomes known or apparent after the Closing Time, but in no event will any correction be permitted if the DBSA reasonably considers that the correction would materially alter the substance of the Bid or effect the fairness of the Tendering Process.

22.  OBLIGATION TO NOTIFY ERRORS
If, after a Bidder’s Response has been submitted, the Bidder becomes aware of an error in the Bidders Response (including an error in pricing, but excluding clerical errors which would have no bearing on the evaluation of the Bid), the Bidder must promptly notify the DBSA of such error.

23.  RESPONSIBILITY FOR BIDDING COSTS

Pmin = Comparative price of lowest acceptable tender or offer.

As part of the DBSA’s ongoing support to the DMRE in terms of the Memorandum of Agreement (MoA), the DBSA is requested to assist the IPP Office (IPPO) with the appointment of a Printer Service Provider that can provide the IPP Office with printers and a print management solution and other services for a period of 36 months (3 years).

2. PURPOSE OF THIS DOCUMENT

This document serves as the requirement of the IPP Office for the procurement of printers and print management solution for the IPP Office premises.

3. PROJECT DESCRIPTION & BACKGROUND

The IPP Office currently makes use of Samsung and HP printers with no print management solution. Printers are in excess of 6 years old and require replacement due to high operational costs related to their age.

The service provider must provide the services regarding the optimization of IPP office’s printing environment, maintenance and support of all printing devices, supply of printing consumables (excluding paper), installation and removal of devices, the provision of monthly reporting regarding colour and mono printing and monitoring and reducing unnecessary paper usage and printing costs including a print management solution to allow for Forensic retrieval, secure printing and follow me printing.

As part of the DBSA’s ongoing support to the Department of Energy (DOE) in terms of the MoA, the DBSA is requested to assist the IPP Office with the procurement of a Printer Service Provider that can provide managed printing solution which includes providing and installing multifunction printers with fax, print, scan and copy functionalities for a period of 3 years.

9. DELIVERABLE ACCEPTANCE CRITERIA

Deliverables will only be paid once accepted by the IPP Office. The following deliverable acceptance criteria will apply prior to accepting a deliverable as final:

- Project Manager review;
- Head of Unit review;
- Should performance not be of the standard required, the IPP Office reserves the right to withhold payment until such time that the work is completed at the standard required.
- The IPP Office reserves the right to ask the Service Provider to replace a resource in the instance of continued under performance.

10. IPP OFFICE COST MANAGEMENT

The Service Provider will invoice monthly in arrears in accordance with the price proposal above.

The following should also be clearly noted on the supporting documentation:

- The PO number,
- Description of the work performed and items provided during the period of the invoice

The DBSA policy applies. Note the following IPP Office position:

1. Approved POs are required for the rendering of any service by a third party or Service Provider. No work instruction may be issued without an approved PO;
2. POs will not be issued ex post facto; it remains the responsibility of the IPP Office Budget Owners to ensure that due process is followed when issuing instructions.
3. Service Providers assume the risk when performing work without a PO or in excess of an approved PO amount, not the IPP Office. The IPP Office will not process invoices without an approved PO. Service Providers have an obligation to notify the IPP Office where an instruction has been received without a PO or in excess of a PO value.
4. Service Providers can only sub-contract with prior approval from the DBSA. On agreement, POs will be issued to the contracted firm only.
5. PO requests need to be accompanied by a written Scope of Work (SOW). Rates as per the DBSA contract or lower.
6. Payment of an invoice is dependent on IPP Office approval/acceptance of deliverables.
7. Service Provider invoices for work completed need to reach the IPP Office for processing within a period of 30 days after submission/acceptance of deliverables.
8. Invoices received prior to the 1st working day of any month will be paid by the first Friday of the following month. Payment may be another month later if received after the 1st working day.
9. Invoices need to be accompanied by detailed timesheets and receipts for reimbursements. Travel claims need to be aligned to the IPP Office travel policy.
10. No monthly “Minimum Billing” or “Pro-rata Billing” will be allowed, all devices must be billed according the actual monthly usage as done.

1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.

2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a pe se prohibition meaning that it cannot be justified under any grounds.

3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:

   a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution’s supply chain management system and or committed fraud or any other improper conduct in relation to such system.

   b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
