The Principal contractors preventative control measures must include:</p> <ol style="list-style-type: none"> <li>1) Travel declaration questionnaire must be completed by all security personnel, professional teams, client teams, principal contractor employees and contractors before entering the site gate.</li> <li>2) Adequately train (directly or indirectly) identified employee/s to perform daily workplace COVID-19 symptom screening. The average normal body temperature is generally accepted as (37°C).</li> <li>3) Provide compulsory medical screening equipment example: Non-contact Thermometers.</li> <li>4) Provide prescribed personal protective equipment (PPE) to those assigned to perform the screening. Face Shields and masks will be made available to screening personnel.</li> <li>5) All required items to operate safely must be available at the screening desk, these includes, hand sanitizers, pens for filling in registers and travel declaration questionnaire. Should employees or visitors fail the questionnaire to be completed they should not be allowed to enter site.</li> <li>6) Any employee/team member displaying a temperature between 37.1°C and 37.9°C will be isolated and placed either next to the Security Guardhouse or in his/her vehicle until second temperature testing is done.</li> <li>7) The employee/team member temperature will be taken again after 15 min. If the temperature has increased the person will be required to leave and go to the closest Clinic, access to site will be denied.</li> <li>8) If the employee/team member temperature has decreased to an acceptable/normal level, access will be granted.</li> <li>9) Any employee/team member with a temperature of 38°C or above will be denied access and will be required to leave immediately and be advised to visit a Doctor;</li> <li>10) All cases where persons were denied access a detailed register kept on site of the date, name of contractor, name of employee, contact number.</li> <li>11) Principal contractor should keep record of all such screening, and should an employee show any positive symptoms related to COVID-19, then such an employee must be isolated from other employees, provided with gloves and mask, and the Department of Health Hotline 0800 029 999 immediately contacted.</li> </ol>	Principal Contractor
