21. ILLEGIBLE CONTENT, ALTERATION AND ERASURES

21.1 Incomplete Bids may be disqualified or evaluated solely on information contained in the Bid.

21.2 The DBSA may disregard any content in a Tender that is illegible and will be under no obligation whatsoever to seek clarification from the Bidder.

21.3 The DBSA may permit a Bidder to correct an unintentional error in its Bid where that error becomes known or apparent after the Closing Time, but in no event will any correction be permitted if the DBSA reasonably considers that the correction would materially alter the substance of the Bid or effect the fairness of the Tendering Process.

22. OBLIGATION TO NOTIFY ERRORS

If, after a Bidder’s Response has been submitted, the Bidder becomes aware of an error in the Bidders Response (including an error in pricing, but excluding clerical errors which would have no bearing on the evaluation of the Bid), the Bidder must promptly notify the DBSA of such error.
23. RESPONSIBILITY FOR BIDDING COSTS

23.1 The Bidders participation or involvement in any stage of the Tendering Process is at the Bidders sole risk, cost and expense. The DBSA will not be held responsible for, or pay for, any expense or loss that may be incurred by Bidders in relation to the preparation or lodgement of their Bid.

23.2 The DBSA is not liable to the Bidder for any costs on the basis of any contractual, promissory or restitutionary grounds whatsoever as a consequence of any matter relating to the Bidders participation in the Tendering Process, including without limitation, instances where:

23.2.1 the Bidder is not engaged to perform under any contract; or

23.2.2 the DBSA exercises any right under this RFP or at law.

24. DISCLOSURE OF BID CONTENTS AND BID INFORMATION

24.1 All Electronic Bids received by the DBSA will be treated as confidential. The DBSA will not disclose contents of any Bid and Bid information, except:

24.1.1 as required by law;

24.1.2 for the purpose of investigations by other government authorities having relevant jurisdiction;

24.1.3 to external consultants and advisors of the DBSA engaged to assist with the Tendering Process; or for the general information of Bidders required to be disclosed as per National Treasury Regulations, Guidelines, Instruction Notes or Practice Notes.

25. USE OF BIDS

25.1 Upon submission in accordance with the requirements relating to the submission of Bids, all Bids submitted become the property of the DBSA. Bidders will retain all ownership rights in any intellectual property contained in the Bids.

25.2 Each Bidder, by submission of their Bid, is deemed to have licensed the DBSA to reproduce the whole, or any portion, of their Bid for the sole purposes of enabling the DBSA to evaluate the Bid.

26. BID ACCEPTANCE

All Bids received must remain open for acceptance for a minimum period of 90 (Ninety days) from the Closing Time. This period may be extended by written mutual agreement between the DBSA and the Bidder.
27. EVALUATION PROCESS

27.1 The Bids will be evaluated and adjudicated as follows:

27.1.1 Qualification – evaluation of compliance with Pre-Qualifying Criteria

Only those Bidders who satisfy all of the Pre-Qualifying Criteria will be eligible to participate in the Tendering Process further. Bids that do not satisfy all of the Pre-Qualifying Criteria will not be evaluated further.

27.1.2 First stage – functional evaluation

Bidders are evaluated based on the functional criteria set out in this RFP. Only those Bidders who score 70 points or higher (out of a possible 100) during the functional evaluation will be evaluated during the second stage of the Bid.

27.1.3 Second stage – price and preferential points

27.1.3.1 Those Bidders which have passed the initial and first stages of the tender process will be scored on the basis of price and preference point allocation in accordance with the applicable legislation.

27.1.3.2 The successful Bidder will be the Bidder that scores the highest number of points in the second stage of the Bid evaluation, unless the DBSA exercises its right to cancel the RFP, in line with the PPPFA Regulations.

27.2 NB: Bidders are required to submit, as Annexure J to their Bids, any documentation which supports the responses provided in respect of the Pre-Qualifying Criteria and Functional Criteria below.

27.3 First Stage: Functional Criteria

27.3.1 The following Pre-Qualifying Criteria will be applied in the initial stage of the evaluation. Bidders who do not meet all of the Pre-Qualifying Criteria will not be considered for the award of the tender.

27.3.2 Bidders are required to complete the table below by indicating whether they comply with the requirement by marking the appropriate column with an 'X' below. Bidders are required to submit supporting documentation evidencing their compliance with each requirement, where applicable.

Note: A tender that fails to meet any Pre-Qualifying Criteria stipulated herein in the tender documents is an unacceptable tender.

Total Points 100
Minimum Threshold for Functionality 70

Bidders who score **70% out of 100%** will proceed to the evaluation of Pricing and BBBEE.

27.4.1 A minimum of 70 points out of 100 for the functional/evaluation will qualify the Bid to move on to the second stage of evaluation, which is price and BBBEE. Bidders that do not score 70 points or higher at this stage of the evaluation will not be evaluated during the second stage of the evaluation.

27.5 **Second Stage: Price and Preferential Points Assessment**

27.5.1 Subsequent to the evaluation of Pre-qualifying Criteria and Functional Criteria, the second stage of evaluation of the Bids will be in respect of price and preferential

27.5.2 Procurement only. Points will be allocated to Bidders at this stage of the evaluation in accordance with the PPPFA and the PPPFA Regulations, as follows:

- Price points 80
- Preferential procurement points 20

27.5.3 **Price points**
The following formula will be used to calculate the points for price:
Ps = 80(1-(Pt-Pmin)/Pmin)

Where:

Ps = Points scored for comparative price of tender or offer under consideration;
Pt = Comparative price of tender or offer under consideration; and
Pmin = Comparative price of lowest acceptable tender or offer.

**27.5.4 Preferential procurement points**

A maximum of 20 points may be awarded in respect of preferential procurement, which points must be awarded to a tenderer for attaining their B-BBEE Status Level in accordance with the table below:

<table>
<thead>
<tr>

An unincorporated trust, consortium or joint venture will qualify for points for their B-BBEE status level as an unincorporated entity, provided that the entity submits their consolidated B-BBEE scorecard as if they were a group structure and that such a consolidated B-BBEE scorecard is prepared for every separate Bid.

**27.5.5 Total**

The total points scored by each Bidder will be calculated by adding the points scored for price (out of 80) to the points scored for preferential procurement (out of 20).

The successful Bidder will be the Bidder which has the highest total points (out of 100) for both price and preferential procurement (unless there is a basis for selecting a different successful Bidder in accordance with section 2(1)(f) of the PPPFA).

**28. STATUS OF BID**

28.1 Each Bid constitutes an irrevocable offer by the Bidder to the DBSA to provide the Services required and otherwise to satisfy the requirements of the Specification as set out in this RFP.

The DBSA may use the information obtained when clarification is sought or discussions are had in interpreting the Bid and evaluating the cost and risk of accepting the Bid. Failure to supply clarification to the satisfaction of the DBSA may render the Bid liable to disqualification.

29.2 The DBSA is under no obligation to seek clarification of anything in a Bid and reserves the right to disregard any clarification that the DBSA considers to be unsolicited or otherwise impermissible or irrelevant in accordance with the rules set out in this RFP.

No legal relationship will exist between the DBSA and a successful Bidder for the supply of the Services until such time as a binding contract is executed by them.

31.2 The DBSA may, in its absolute discretion, decide not to enter into pre-contractual negotiations with a successful Bidder.

31.3 A Bidder is bound by its Bid and all other documents forming part of the Bidder’s Response and, if selected as a successful Bidder, must enter into a contract on the basis of the Bid with or without further negotiation.

32. **NO OBLIGATION TO ENTER INTO CONTRACT**

32.1 The DBSA is under no obligation to appoint a successful Bidder or Bidders (as the case may be), or to enter into a contract with a successful Bidder or any other person, if it is unable to identify a Bid that complies in all relevant respects with the requirements of the DBSA, or if due to changed circumstances, there is no longer a need for the Services requested, or if funds are no longer available to cover the total envisaged expenditure. For the avoidance of any doubt, in these circumstances the DBSA will be free to proceed via any alternative process.

32.2 The DBSA may conduct a debriefing session for all Bidders (successful and unsuccessful). Attendance at such debriefing session is optional.

33. **BIDDER WARRANTIES**

33.1 By submitting a Bid, a Bidder warrants that:

TERMS OF REFERENCE & PROJECT BRIEF

TERMS OF REFERENCE - DEVELOPMENT BANK OF SOUTHERN AFRICA CORPORATE GOVERNANCE REVIEW

1. PROJECT INTRODUCTION

1.1 The Development Bank of Southern Africa (hereafter referred to as “the DBSA” or “the Bank”) is seeking the service of an experienced consultant or firm who has extensive experience in governance assessment including the credit governance process of the State-Owned Entities, specifically the Development Finance Institutions (DFIs) and related financial institutions to conduct a governance review.

1.2 The service provider must conduct an in-depth and robust review of the DBSA’s governance landscape covering both the formal framework (governance structures, policies, procedures, processes and practices).

1.3 The business of the Bank fundamentally involves taking risks and managing them, more specifically the Bank lends out money, which gives rise to credit risk. Thus, in addition to the above requirements, the review must consider and analyse the credit risk governance process including the governance structure of the Bank’s credit system, the process of granting credit, monitoring exposures, calculating impairments and managing delinquent clients.

1.4 The review should determine what changes should be made to the DBSA’s existing governance framework to ensure best practices in regulatory governance, i.e. the review should provide best practice and evidence-informed recommendations that need to be accommodated within the existing DBSA framework.

1.5 In addition, the review should provide a synopsis of local and global best practices and make a determination on how the DBSA governance framework is performing against such practices and make recommendations. It is expected that the review will include a survey of peer local and global DFIs and other financial institutions that are advanced in implementing best practices.

1.6 The process should entail a review and comprehensive diagnostic assessment of the Bank’s governance framework focusing on the four domains of the governance framework.
i.e. strategy and planning, capabilities and culture, processes and structures and measurements.

2. DBSA’S PROFILE

2.1 The DBSA is a DFI with a sharp focus on infrastructure development, especially in Southern Africa and it is a Schedule 2 Public Entity in accordance with the provisions of the Public Finance Management Act, 1999 (Act No. 1 of 1999).

2.2 In terms of the DBSA Act, No 13 of 1997 (Amended Act No 41 of 2014) the Bank is mandated as a DFI with a primary purpose of promoting economic development and sustainable growth, human resource development and institutional capacity building by mobilising financial and other resources from the national and international private and public sectors for sustainable development projects and programmes in South Africa and the wider African continent.

2.3 The DBSA upholds the highest possible corporate governance standards by ensuring adherence to all industry-specific legislative requirements, namely the DBSA Act and Public Finance Management Act (PFMA). In addition, the DBSA embraces the principles of King IV, the Companies Act and Johannesburg Securities Exchange (JSE) listing requirements and endeavour to comply with the regulations as far as they are not in conflict with the DBSA Act.

2.4 The DBSA is located in Midrand and comprises the following broad operations:
   (i) Infrastructure integrated and innovative solutions, (ii) Infrastructure lending and project finance, (iii) Infrastructure implementation and (iv) Central Support (Finance, ICT, Corporate Services, Risk).

3. OBJECTIVES

3.1 The completed Governance Assessment will:

3.1.1. Provide an independent assessment of the DBSA governance framework against both national and global standards and assurance as to whether the DBSA’s governance framework is fit for the purpose, i.e. a rational, up to date and consistent framework of governance that supports the business of the Bank and comply with the highest level of governance standards.
3.1.2. Provide recommendations to improve the DBSA’s governance framework including ensuring that the Bank has appropriate governance structures that are appropriately constituted with the right skills and experience and appropriate controls (policies, procedure and practices) which enable effective and efficient decision-making, implementation, and accountability.

3.1.3. Enhance the organisational culture that adheres to good corporate governance, improve the profile and reputation of the Bank and enable the achievement of the Bank’s strategic objectives and financial sustainability.

3.1.4 Transfer skills for medium to long-term sustainability.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

This Standard Bidding Document (SBD) must form part of all bids¹ invited.

Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a pe se prohibition meaning that it cannot be justified under any grounds.

Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:

a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution’s supply chain management system and or committed fraud or any other improper conduct in relation to such system.

b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
