## PART T2.2.2: LOCAL EMPLOYMENT & SOURCING

The DBSA has identified job creation and access to procurement opportunities by Start-ups, Small and Micro Enterprises (SMMEs) in the local community of the project area, as an essential requirement towards building an economically viable country. As such, the below targets will be a condition of contract.

### **General Labour minimum target**

It is mandatory that tenderers/bidders employ the minimum stipulated personnel on the contracts for the local community where the project is being implemented. This employment is outside the existing employees of the tenderers/bidders.

For the general labour force, the minimum number of people to be employed for the duration of the project will be calculated from the formula below.

$$\text{Number of Employees} = 4 * \left[ \frac{(\text{Contract Value in Rand})}{R1,000,000} \right]$$

Tenderers are to also note that it is an explicit condition of this tender that all unskilled labourers on the project are to be employed from the local community. The Contractor is therefore expected in general to maximise the involvement of the local community.

Take note that the local labour employed must not be paid lower than the minimum approved municipal rates in that district or area. The Contractor shall be required to submit employment data on a monthly basis to the Project Manager.

### **Procurement of Materials minimum target**

Regarding procurement of materials, local is hereby defined as the district in which the project(s) is/are located. The minimum target for materials sourced locally is **20% of the contract value**.

## **PART T2.2.7: CERTIFICATION OF INDEPENDENT TENDER DETERMINATION**

1. This Standard Tendering Document (SBD) must form part of all Tenders<sup>1</sup> invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive Tendering (or Tender rigging)<sup>2</sup>. Collusive Tendering is a *per se* prohibition meaning that it cannot be justified under any grounds.
3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
  - a. disregard the Tender of any Tenderer if that Tenderer, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
  - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the Tendering process or the execution of that contract.
4. This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when Tenders are considered, reasonable steps are taken to prevent any form of Tender-rigging.
5. In order to give effect to the above, the attached Certificate of Tender Determination must be completed and submitted with the Tender:

- 
1. Includes price quotations, advertised competitive Tenders, limited Tenders and proposals.
  2. Tender rigging (or collusive Tendering) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a Tendering process. Tender rigging is, therefore, an agreement between competitors not to compete.

## PART T2.2.8: SERVICE PROVIDER CODE OF CONDUCT

DBSA aims to achieve the best value for money when buying or selling goods and obtaining services. This however must be done in an open and fair manner that supports and drives a competitive economy. Underpinning our process are several acts and policies that any service provider dealing with DBSA must understand and support. These are:

- The DBSA Procurement Policy – A guide for Tenderers.
- Section 217 of the Constitution of the Republic of South Africa, 1996 - the five pillars of Public Procurement and Supply Chain Management: fair, equitable, transparent, competitive and cost effective;
- The Public Finance Management Act, Act 1 of 1999 (PFMA);
- The Broad Based Black Economic Empowerment Act, Act 53 of 2003 (B-BBEE);
- The Companies Act, Act 71 of 2008,
- The Prevention and Combating of Corrupt Activities Act, Act 12 of 2004 (PRECCA);
- The Protected Disclosures Act, Act 26 of 2000,
- The Construction Industry Development Board Act, Act 38 of 2000(CIDB Act); and
- The Preferential Procurement Policy Framework Act, Act 5 of 2000.

This code of conduct has been included in this contract to formally appraise DBSA Service providers of DBSA's expectations regarding behaviour and conduct of its Service providers. The tenderer will share this code of conduct with its subcontractor(s) prior to submitting the tender and ensure adherence to it by the subcontractor(s).

### ***Prohibition of Bribes, Kickbacks, Unlawful Payments, and Other Corrupt Practices***

DBSA's aim is to become a world class, profitable and sustainable organisation. As such, our transformation is focused on adopting a performance culture and to adopt behaviours that will enable this transformation.

	<p style="text-align: center;">VOLUME 2 OF 3 JBCC TENDER RETURNABLES</p>	<p>Tender No. RFP244/2022</p> <p><b>THE CONSTRUCTION OF REPLACEMENT LEARNING AREAS AND DEMOLITIONS OF EXISTING INFRASTRUCTURE AT CHANENG PRIMARY SCHOOL</b></p>
---	--	---

**1. DBSA will not participate in corrupt practices in any form or guise. Therefore, it expects its service providers to act in the same manner.**

- DBSA and its employees will adhere the laws of this country and keep accurate business records that reflect actual transactions with, and payments to, our service providers.
- DBSA Employees must not accept or request, agree or promise to accept, money, or anything of value, or any form of gratification, either directly or indirectly, from service providers or anyone linked to them in return for a benefit or other advantage to accrue to a service provider or other linked 3<sup>rd</sup> party;
- Employees may not receive anything that is intended to:
  - In an irregular or untoward manner, influence their judgement or conduct to ensure a specific or pre-conceived desired outcome of a sourcing activity;
  - In an irregular or untoward manner, win or retain business or influence any act or decision of any person involved in sourcing decisions; or
  - Gain an improper advantage.
- There may be times when a service provider is confronted with fraudulent or corrupt behaviour of DBSA employees. We expect our Service providers to use our “Tip-offs Anonymous” Hot line to report these acts – 0800 204 933 or email [dbsa@tip-offs.com](mailto:dbsa@tip-offs.com).

**2. DBSA Limited is firmly committed to the concept of free and competitive enterprise.**

- Service providers are expected to comply with all applicable laws and regulations regarding fair competition and antitrust practices.
- DBSA does not engage with non-value adding agents or representatives solely for the purpose of increasing BBBEE spend (fronting).

**3. DBSA's relationship with service providers requires us to clearly define requirements, to exchange information and share mutual benefits.**

- Generally, service providers have their own business standards and regulations. Although DBSA cannot control the actions of our service providers, we will not tolerate any illegal activities. These include, but are not limited to:
  - Misrepresentation of their product (origin of manufacture, specifications, intellectual property rights, etc.);

	<p style="text-align: center;"><b>VOLUME 2 OF 3</b></p> <p style="text-align: center;"><b>JBCC</b></p> <p style="text-align: center;"><b>TENDER RETURNABLES</b></p>	<p><b>Tender No. RFP244/2022</b></p> <p><b>THE CONSTRUCTION OF REPLACEMENT LEARNING AREAS AND DEMOLITIONS OF EXISTING INFRASTRUCTURE AT CHANENG PRIMARY SCHOOL</b></p>
---	---	--

- Collusion in whatever form that is intended to influence procurement decisions;
- Failure to disclose accurate information required during the sourcing activity (ownership, financial situation, BBBEE status, etc.);
- Corrupt activities listed above; and
- Harassment, intimidation or other aggressive actions towards DBSA employees.
- Service providers will be evaluated and approved before any materials, components, products or services are purchased from them. A rigorous due diligence is conducted and the service provider is expected to participate in an honest and straight forward manner.
- Service providers must record and report facts accurately, honestly and objectively. Financial records must be accurate in all material respects.

#### **4. Conflicts of Interest**

A conflict of interest arises when personal interests or activities influence (or appear to influence) the ability to act in the best interests of DBSA Limited.

- Doing business with family members or close associates.
- Having a financial or beneficial interest in another company in our industry or environment

Where possible, contracts will be negotiated to include the above in the terms of such contracts. To the extent such terms are not included in contractual obligations and any of the above code is breached, then DBSA reserves its right to review doing business with these service providers.
