In responding to this ToR, the Transaction Advisors are required to note that a separate or distinct fee proposal should be provided for each of the respective functions. It should also be noted that a firm will be appointed for both the Evaluation and Financial Close.

Therefore, a firm participating in this tender should provide the DMRE with its policy to manage potential conflict of interest that may arise from such firm of advisors that are advising both the DMRE and Bidders. This policy should include the measures that will be put in place and applied to manage such conflict of interest.

The Evaluation Team will have to sign Declaration of Interest and Confidentiality Undertakings.

In responding to this ToR, the Transaction Advisors are required to provide a separate or distinct fee proposal for each of the functions specified in the scope of work.

- For pricing of RFP 2 an assumption can be made that RFP 2 will be fundamentally similar to RFP 1
- The pricing element of the Bid Response should be a fixed fee inclusive of VAT and disbursements.

- The fixed fee should be broken down in cost per deliverable/milestone. Refer to the table included for the payment milestones.
- The deliverable on a possible BAFO should be priced separately as it will only be actioned if required. Value for money engagements should however be included in the milestone based work.
- Ensure that the fee proposal cover all elements as detailed in the scope of work. The detailed scope should be summarized in the payment milestones referred to under previous bullet.
- For purposes of the fee calculations for the evaluation of bid responses:
 - Assume a total of 30 Bid Responses for Evaluation and 10 Preferred Bidders for Financial Close.
 - Provide a fixed fee per bid, as well as the sum total of the cost for all bids
- For purposes of Financial close fee calculations:

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
