PART T2.2.2: LOCAL EMPLOYMENT & SOURCING

The DBSA has identified job creation and access to procurement opportunities by Start-ups, Small and Micro Enterprises (SMMEs) in the local community of the project area, as an essential requirement towards building an economically viable country. As such, the below targets will be a condition of contract.

General Labour minimum target

It is mandatory that tenderers/bidders employ the minimum stipulated personnel on the contracts for the local community where the project is being implemented. This employment is outside the existing employees of the tenderers/bidders.

For the general labour force, the minimum number of people to be employed for the duration of the project will be calculated from the formula below.

$$\text{Number of Employees} = 4 * \left[\frac{(\text{Contract Value in Rand})}{R1,000,000} \right]$$

Tenderers are to also note that it is an explicit condition of this tender that all unskilled labourers on the project are to be employed from the local community. The Contractor is therefore expected in general to maximise the involvement of the local community.

Take note that the local labour employed must not be paid lower than the minimum approved municipal rates in that district or area. The Contractor shall be required to submit employment data on a monthly basis to the Project Manager.

Procurement of Materials minimum target

Regarding procurement of materials, local is hereby defined as the district in which the project(s) is/are located. The minimum target for materials sourced locally is **20% of the contract value**.

Underpinning our process are several acts and policies that any service provider dealing with DBSA must understand and support. These are:

- The DBSA Procurement Policy – A guide for Tenderers.
- Section 217 of the Constitution of the Republic of South Africa, 1996 - the five pillars of Public Procurement and Supply Chain Management: fair, equitable, transparent, competitive and cost effective;

- The Construction Industry Development Board Act, Act 38 of 2000(CIDB Act); and
- The Preferential Procurement Policy Framework Act, Act 5 of 2000.

This code of conduct has been included in this contract to formally appraise DBSA Service providers of DBSA's expectations regarding behaviour and conduct of its Service providers. The tenderer will share this code of conduct with its subcontractor(s) prior to submitting the tender and ensure adherence to it by the subcontractor(s).

Prohibition of Bribes, Kickbacks, Unlawful Payments, and Other Corrupt Practices

DBSA's aim is to become a world class, profitable and sustainable organisation. As such, our transformation is focused on adopting a performance culture and to adopt behaviours that will enable this transformation.

- Service providers will be evaluated and approved before any materials, components, products or services are purchased from them. A rigorous due diligence is conducted and the service provider is expected to participate in an honest and straight forward manner.
- Service providers must record and report facts accurately, honestly and objectively. Financial records must be accurate in all material respects.

4. Conflicts of Interest
