Monday, January 22, 2024	1	Please can you advise if it we need stand-alone evaluation projects or projects where evaluation is imbedded in the implementation?		We require 'stand-alone' evaluation of projects. These can include 'mid-term reviews/evaluations' which informed the future implementation of a project.	27-Nov-23
Monday, January 22, 2024	2	Are you expecting us to answer as a consortium with multiple experts to perform all dimensions of the evaluation or rather bid as an individual for one dimension of the evaluation and the DBSA will constitute its own panel of experts ?		The DBSA is seeking to constitute a Panel of Experts to undertake evaluations on an ad-hoc basis. The ToR is for the Panel of Experts and not for a specific Evaluation. The DBSA will send a specifc evaluation ToR to the Panel when we seek evaluators to undertake a specific evaluation. You can bid as a consortium (with multiple experts) or as an individual	29-Nov-23
	3	Organisations outside of South Africa can also bid?		Yes	
	4	If yes, do we need to register with the CSD?		Yes	
	5	Registration number and VAT from other African countries are accepted?		Yes	29-Nov-23
	6	Can you confirm that bidders from other African countries are not required to have a BBBEE Status Level Verification Certificate or sign an affidavit?		Yes	29-Nov-23
	7	Can you confirm that bidders from outside SA are not required to have a TCS?		Yes	29-Nov-23
	8	DBSA is active in several sectors, (energy, ICT, roads, transport, water & sanitation, education, health). Do we need to present CVs and references in all of these sectors or can we focus on a few of them and still be referenced for future calls?		You should demonstrate experience in those sectors in which you would like to do evaluations for DBSA	29-Nov-23
	9	The minimum 5 references are per sector or in total?		In total	29-Nov-23
	10	Can you confirm that no methodology needs to be described in the bid?		Yes. No methodology is required for this bid.	29-Nov-23
	11	Please confirm that only one folder has to be submitted, contrary to what is written in the RFP. No pricing is required, given that the tender is about being referenced for future bids. Pricing only needs to be transmitted for concrete evaluations to come in the future.		Confirmed	29-Nov-23
