68	Clause 9.8 - Vermin	Item	1	R	-	R	-
69	Clause 9.9 - Overhand work	Item	1	R	-	R	-
<u>SECTION C: SPECIFIC PRELIMINARIES</u>							
Contract price adjustment provisions							
70	Bidders are advised that this Contract shall be a Fixed Price Contract and shall not be subject to the Contract Price Adjustment Provisions (CPAP) or any other escalation formula and therefore bidder are to allow for any increases (except any variations in the rate of Value Added Tax) in cost of labour, materials, transport, etc.	Item	1	R	-	R	-
Site instruction							
71	Site Instructions issued on site are to be recorded in triplicate in a site instruction book which is maintained on site by the contractor.	Item	1	R	-	R	-
72	Propping of floors below The contractor is advised that propping of floors below may be required if he wishes to use any areas of completed suspended reinforced concrete slabs for vehicle access, storage of materials and goods and location of plant, scaffolding, etc. The location of these areas and any necessary propping shall be approved by the principal agent and the cost thereof shall be borne by the contractor F:..... V:..... T:.....	Item	1	R	-	R	-
73	Warranties for material and workmanship Where warranties for materials and /or workmanship are called for, the contractor shall obtain a written warranty, addressed to the employer, from the firm supplying the materials and/or doing the work and shall deliver same to the Principal Agent on certified completion of contract. The warranty shall state that workmanship, materials and installation are warranted for a specified period from the date of final completion and that any defects that may arise during the specified period shall be made good at the expense of the firm supplying the materials and/or doing the work, upon written notice to do so. The warranty will not be enforced if the work is damaged by defects in the construction of the building in which case the responsibility for replacement shall rest entirely with the contractor.	Item	1	R	-	R	-
74	Co-operation of the contractor for cost management It is specifically agreed that the contractor accepts the obligation of assisting the principal agent in implementing proper cost management. The contractor will be advised by the principal agent of all cost management procedures which will be implemented to ensure that the contract value does not exceed the budget F:..... V:..... T:.....	Item	1	R	-	R	-
75	Confidentiality The contractor undertakes to maintain in confidence any and all information regarding this project and shall obtain appropriate similar undertakings from all subcontractors and suppliers. Such information shall not be used in any way except in connection with the execution of the works No information regarding this project shall be published or disclosed without the prior written consent of the employer F:..... V:..... T:.....	Item	1	R	-	R	-
76	for watertightness with water sprayed on by means of a 20mm hosepipe using adequate pressure. If in the opinion of the principal agent, the pressure proves to be inadequate, then the pressure in the hosepipe shall be boosted by means of compressed air or other approved means. F:..... V:..... T:.....	Item	1	R	-	R	-
Occupational Health and Safety Act							

77	<p>The Contractor will allow for Health and Safety to ensure compliance with requirements set out in the Construction Regulation 2014, issued under the Occupational Health and Safety Act, 1933 (Act No. 85 of 1933). It is a required of the Contractor to thoroughly study the attached Health and Safety Specifications (Annexure A) that must be read together with and is deemed to be incorporated under this Section in the Bills of Quantities. The Contractor must take note that compliance with the Occupational Health and Safety Act, the Construction Regulations and the Health and Safety Specifications is compulsory. In the event of partial or total non-compliance, the Principal Agent, notwithstanding the provisions of clause A31.0 of Section A or any other clause to the contrary, reserves the right to delay issuing any Progress Payment Certificate until the Contractor provides satisfactory proof of compliance. The Contractor shall not be entitled to any compensation of whatsoever nature, including interest, due to such delay in payment. Provision for pricing of the Occupational Health and Safety Act, the Construction Regulations and Health and Safety Specifications is made under this clause and it is explicitly pointed out that all requirements of the aforementioned are deemed to be priced hereunder and no additional claims in this regard shall be entertained.</p> <p>Category : Fixed R.....
