5.	RFP013/2026	With regards to the Financial Analyst, which similar public sector professional bodies will be acceptable to the DBSA considering that CIPFA is a UK-based international accountancy membership body, as such it might be difficult to get such a resource.	<p>The requirements for a Financial Analyst or an Infrastructure Investment Analyst are as follows.</p> <p>Professional registration as a Chartered Accountant CA (SA), or as a Chartered Financial Analyst (CFA), as a professional registered personnel member with the South African Institute of Chartered Accountants (SAICA) will be accepted.</p>
6.	RFP013/2026 , RFP014/2026	In light of the 3 bankable water services projects to be delivered as part of this study to the total value of R 5 million per Municipality, kindly indicate if we can include a disclaimer that this R 5 million will be on top of our price per Municipality as it makes is extremely difficult to price if we are at tender stage not sure which projects will be forwarded to that process that could add another 6 – 8 months to the project.	The total project cost per municipality is capped at R 5 million for the preliminary designs and the duration is within the 15 months as referred in the RFP document.
7.	RFP013/2026 , RFP014/2026	Can we then add to your pricing schedule, just a line-item indication the R 5 million for the bankable water services projects as the R&SWMP will include that.	The professional fees for the designs must be based on the R5 million project cost.
8.	RFP013/2026 , RFP014/2026	On RFP014, kindly indicate the details of the status of the WSDP for Polokwane please.	The DBSA does not have information on the status of the WSDP of the municipality, it is for the PSP to obtain such information.
9.	RFP015/2026	On the general tender information, it is detailed that this is an electronic submission. There is however mention in the tender document on page 2, as well as page 6 that an original plus copies including a flash drive need to be submitted to DBSA. <b>Please advise.</b>	Tender documents are to be submitted electronically
