RFP043/2026 Queries Received	
Query	Response
Could you please let us know the deadline for submitting clarification questions? We may need some time to brainstorm and compile some questions.	Queries may be submitted up until the 29 <sup>th</sup> May 2026 and a responses to be provided by the 3rd June 2026.
Would you be able to clarify whether one person would be able to be put forward for multiple roles?	Yes, if they have the required experience and qualifications.
In addition, we'd like to know whether it's feasible to extend the deadline of submission by 1 calendar week? We have a lengthy administrative process to adhere to for long-term proposals of this nature (2 years), and we believe this modest extension would enable a more robust submission.	Tender extended to close on 12 June 2026.
