PRICING INSTRUCTIONS

1. The rates to be quoted in the Pricing Schedule are to be the fully inclusive prices for the work described under scope of work. Rates shall cover all costs and expenses that may be required in and for the execution of the work described, and shall cover the cost of all general risks, taxes, and obligations set forth or implied in the documents on which the tender is based, as well as overhead charges and profit. All disbursements must be pre-approved in writing and will be reimbursed at cost, provided that such costs are supported by original receipts/tax invoices.

2. A rate shall be entered against each item in the Pricing Schedule. The bidder may not group a number of items together and tender one lump sum for such group of items

3. Actual expenditure would be based on agreed rate per person and limited to approved budget for this project.

4. The bidder must populate the proposed rates for the three-year period on the supplied pricing template.
